

Issues Concerning Adolescents of Nevada

Dear Parents,

Though it's hard to believe another year has almost passed, the time for ICAN Leadership Camp is drawing near. We have a lot of exciting, unique activities planned for this year. We're looking forward to meeting new participants and reconnecting with old ones, watching the campers of yesterday become our Youth Staff leaders of today, and engaging them in an experience that our youth will carry with them for the rest of their lives. We would love for you and your child to be a part of making those memories.

This year's camp will be held earlier than previous years, from June 20th to June 26th. A typical day at camp involves youth-led activities, guest speakers, fun games, and great food, along with campfires, a dance, and a talent show. All the information you need is attached. After we receive your application, we will send you a list of everything your child will need for camp as well as pick-up and drop-off information. Camp applications will be accepted through April 15th. If you have any questions, please feel free to contact me by phone at (702) 308-3756 or by email at jamie@icanlv.org. We look forward to hearing from you and hope that you can be a part of this year's camp.

As always, we encourage you to mention Leadership Camp to other parents and children who might be interested.

See you on the mountain!
